Medical Disclaimer

Sea Glass Mental Health (“Sea Glass Mental Health,” “we,” “us,” or “our”) and its marketing affiliates do not provide medical advice, diagnosis or treatment through seaglassmentalhealth.com (our “Website”). The contents of our Website — such as text, graphics, images and other material — are not intended to diagnose, treat or cure any disease, nor provide any medical opinion or advice. Any subsequent interactions with us, such as with phone operators, are for informational purposes only.

The information provided is for general informational purposes only and is not to be taken as medical advice or treatment information. This information is no substitute for medical diagnosis and guidance from a licensed health care professional. Consult a licensed health care professional regarding all matters relating to your health, particularly concerning any symptoms that may require diagnosis or medical attention. Do not disregard medical advice, or delay or change treatment because of something you have read on our Website.

Although we may cite certain medical procedures, perspectives and products, our Website does not recommend or endorse any specific tests, physicians, facilities, products, procedures, opinions or other information that may be mentioned on the site. Reliance on any information provided by seaglassmentalhealth.com, our employees, others appearing on the site at the invitation of seaglassmentalhealth.com or other visitors to the site is solely at your own risk.

While we strive earnestly to update our Website’s resources for consumers and professionals, any individual reliance on this information is at the individual’s own risk. We do not guarantee the accuracy of the information found herein, and further disclaim all liability or responsibility for injury or impairment experienced by any users who utilize any resources, information or concepts. For specific medical questions, please consult a licensed health care professional.
